On behalf of the **National Association of University Women-Brooklyn Branch**, we invite you to participate in our 70th Anniversary Scholarship and Awards fundraiser on June 8, 2024 at Glen Terrace Hall in Brooklyn. NAUW is a non-profit organization founded in 1910 by a courageous group of women in order to fight for access to higher education for women of color, as well as to serve and uplift our community. The Brooklyn Branch was founded in 1954, the same year as the landmark “Brown vs. Board of Education” Supreme Court decision. We have chosen honorees who are outstanding examples of our theme, *“Celebrating Visionaries: Fighting for Literacy, Diversity and Democracy.”* **Event flyer is enclosed, page 2.**
